Description

A very comfortable Victorian button back armchair, circa 1880, the tub back with a serpentine front sprung seat and raised on walnut tapering supports with brass beaded mounts and brass and leather covered castors. The chair is structurally very good, the frame and springs are solid with no issues, it only needs new top covers. I can arrange re-covering with my upholsterer and supply fabric if required - please contact me for further details. 82cm high, 72cm wide, outside arm to outside arm, the seat 60cm wide at the front, 56cm deep and 34cm high.
