Description

An antique Limit No 2 full hunter pocket watch, circa 1920s. The watch has a stem-winding movement which is working nicely. The movement is signed and it is all protected by an inner hinged cover. The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marking from use but overall it is in nice condition. The inner hinged dust cover has light wear to the plating. The winding crown pushes in to open the front cover. Inside there is a glass lens which is in nice condition. The dial is signed Limit No2 and is in nice condition. The watch has its original gold coloured hands and a blued steel sub seconds hand. The watch will be sent in a new presentation box.
