Description

A super quality rare Indo Chinese export solid silver snuff or tobacco box. It is unmarked but tests as high grade silver. I would date it to c1890-1910. It has been superbly design being embossed with a blossom tree. It is in super condition being free from dings splits holes and repairs. It closes securely. It measures approx. 3.25 inches (8cms) across by 2.25 inches (6cms) wide by 0.75 inch (2cms) tall and weighs 100 grams. A beautifully made very high quality rare piece.
