Description

An unusual late 19th century antique pine cupboard. The antique pine cupboard has a large blind panel cupboard door to the right hand side and a bank of four drawers to the left. The door has a working lock and key and locks the drawers when closed. Inside the cupboard is a brass hanging rail to the top. There are supports to either side of the cupboard so shelves could be easily added. The antique pine cupboard is raised on turned front feet and block feet to the back. Finished with a fresh coat of natural wax. A rather good, unusual example. Item Ref; M-3728 . DIMENSIONS: Height – 136cm / Width – 99cm / Depth – 43.5cm . There is evidence of old historic woodworm - this is long gone and has been fully treated as a precaution. The antique pine cupboard remains structurally solid and sound. Finished with a fresh coat of natural wax. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home!
