Description

An absolutely stunning set of eight antique walnut dining chairs in the Queen Anne style. These were made in England, they date from around the 1920-30's. The quality is superb, these have an absolutely gorgeous design and look amazing from all angles. The walnut has a gorgeous colour tone and stunning grain patterns on the back rests. They sit on cabriole legs with fine shell carving at the knees and front edge of the seats. There are six straight side chairs and two carver chairs with shepherds crook arms that are included. We have recently had these re-polished to a very high standard, and the drop in seats have been re-upholstered in our cream cotton fabric. The condition is excellent throughout for their age.
