Description

An amazing pair of antique Swedish armchairs in beautiful brown deep buttoned original leather. These were recently imported from Sweden, they date from around the 1900-1910 period. The quality is fantastic, these are extremely well built and are very comfortable. The frames are well padded and beautifully curved, they sit on solid mahogany sabre legs. We have recently had the leather revived and hand coloured, the legs have also been re-polished. The condition is excellent throughout for their age & the leather has a wonderful patina.
