Description

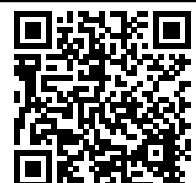

An attractive antique Georgian mahogany corner cupboard. The wall hanging corner cupboard has a moulded cornice to the top and a panelled cupboard door with decorative shell inlay. The cupboard door opens to reveal two shaped shelves and a half depth shelf to the bottom. Complete with working lock and key. Item Ref; M-3640 . DIMENSIONS: Height - 108.5cm / Width (across the front) - 89cm / Depth (back corner to right hand side edge) - 64.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and staining to the front and sides (pictured). There is a mark to the door that appears to be from an old knob (pictured). Evidence of old historic woodworm throughout though this is long gone and has been fully treated as a precaution. Overall, a rather charming example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
