Description

Size: 3ft 8in x 1ft 9in (113 x 53cm) face size. Antique piled mafrash panel from the Heriz region, a good panel with large scale floral design. Circa 1900. This panel is probably the side panel from a bedding or storage bag. Piled storage bag faces from the villages around Heriz are relatively scarce; this is a pleasing example. The panel is in excellent condition with slight even wear and good pile, the panel retains a short kilim strip at the top end. The panel has been hand washed and is ready for display. Stock Number: H-417.
