Description

This is a lovely walnut and ebonised Vienna wall clock that is in superb condition. The case is beautifully polished with a warm, rich patina. It is nice to see the rather unusual Arabic numerals to the face rather than the much more common Roman numerals, making it stand out from the run of the mill. The dial is totally free of any chips, cracks or crazing. It has a subsidiary seconds dial. The 8 day movement strikes on the half-hour and the hour. It has just been fully overhauled by our Bhi registered staff and carries our usual 12mths full parts and labour guarantee. The brass weights and pendulum are in first class order. Complete with original cranked winding key. Measurements include all finials. A gem of a clock that would enhance any home. All cards accepted.
