Description

This inlaid wardrobe is in nice and tidy but unrestored condition. It has good colour and finish with very good inlays both on the face and on the cornice and original handles with a working lock and key. It is by far the cheapest we can see for its quality and condition but we could do with the space so it is ready for you to collect for only £150. The mirror is good with a bevel edge, there is an internal rail and tie rack, if you have ties, but I am sure an imaginative person could think of other uses. There is a very small and we do mean small amount of tidying that may be preferred by the new owner. The whole item is pretty clean and as stated has a good finish, it all sits on rather nice splay bracket feet. Pictures are taken in our store so are not the best perhaps, but certainly show the good quality of this robe. We also have a double bed from the same place that could go with this, please check out our web site for information on that or give us a call 01565 874075. We would do a deal for both.
