Description

A large and impressive two part antique Victorian mahogany chest of drawers. The Victorian mahogany chest has an arrangement of two short over five long and graduating drawers, each with polished wooden knobs. The chest of drawers separates at the mid section for ease of movement and transport. Raised on bun feet. A particularly good example. Due to the fact that the chest splits into two parts it is the ideal choice for rooms with poor access. Item Ref; M-3731 . DIMENSIONS: Height – 145cm / Width – 119cm / Depth – 58cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and staining to the top front and sides (pictured). The two part Victorian mahogany chest remains structurally solid and sound. Once in place the top section is screwed to the base. Some evidence of old historic woodworm in places though this is long gone and has been fully treated as a precaution. Good colour and patina throughout. Overall, a particularly good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home...
