Description

A wonderful 19th century antique pine carpenter's tool chest or trunk. The carpenter's tool chest has a hinged lid that opens to reveal a full fitted interior with various removable trays and compartments for different tools etc. The tool chest has metal carry handles to either side and is raised on a plinth base. Finished with a fresh coat of natural wax. A particularly lovely example. Item Ref; M-3722 . DIMENSIONS: Height - 44.5cm / Width - 95cm / Depth - 53.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and staining to the top, front, and sides (pictured). The carpenter's tool chest remains structurally solid and sound. Some evidence of old historic woodworm to the removable trays - this is long gone and has been fully treated as a precaution. Finished with a fresh coat of natural wax. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
