Description

Good late 17th century Jacobean oak bobbin turned single drawer side table. Good, nicely turned bobbin design legs united by stretchers near the base. Nicely moulded sides and drawer front. Two plank top with ogee moulded edge. The drawer has its original iron lock with later replaced brass handles, I also think the drawer has been very well re-lined in Georgian times. The table is a nice colour with good patination and a waxed finish. SIZE; 36" wide by 21" deep by 30" high CIRCA; 1680
