## Description

A lovely example of a Georgian patch box dating from the late 18th Century. It is a deep cobalt blue colour with pretty floral decoration. The interior is white and there is a mirror under the lid. It is in very good condition for its age. There are signs of age and use but no major damages to the exterior and the decoration is all in good condition. There is some internal crazing and some age spots across the mirror but otherwise it displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £5
