Description

Superb Oak full Westminster quarter chiming repeater bracket clock By premier German clock makers Winterhalder and Hoffmier This is an incredible German oak bracket Clock by the top makers Winterhalder and Hoffmier dated to around 1890. The case is quite outstanding, made of quarter sawn tiger oak which is the finest and most desirable, it is in superb condition. The original front glass door is set in a polished brass frame and is in perfect condition and this is complimented by the brass cherub spandrels at each corner. The clock has a full Westminster quarter chiming repeater movement, repeating the quarter and the hours on demand with a pull cord on the side which is extremely rare and most sought after. Winterhalder and Hoffmier are considered to be the very best German clock makers of their time and their clock movements are the Rolls Royce of movements. As you can see from the pictures the quality of engineering is top drawer. This clock is fully stamped with the Winterhalder and Hoffmier mark on the movement. This is without doubt one of the finest German clock movements you will ever see. Genuine Winterhalder and Hoffmier clocks in this condition ar...
