Description

A beautiful antique walnut dining table in the Queen Anne style. This was made in England, it dates from around the 1920-30's. The quality is excellent and this is a very practical size. There is an additional leaf that extends the dining area, it can be stored beneath the table top when not in use. The top has stunning figured walnut grain patterns, this sits on wonderful cabriole legs with lovely shell carving on the knees. We have recently had this re-polished, it is in excellent condition for its age. Width – 58 inches , 146 cm Width opened – 73 inches , 186 cm Depth – 36 inches , 91 cm Height – 30 inches , 76 cm
