Description

This is a gorgeous period piece. Superb quality with all the drawer being oak lined. The prettiest feature is probably the blind fret canted corners thar are on both the top and bottom section. This is very unusual as usually you only see them on the top section. It has wonderful ogee feet (original) It has lovely brass handles and escutcheons and although they are not original they are period and fit into the original holes.. Obviously it divides into 2 sections
