Description

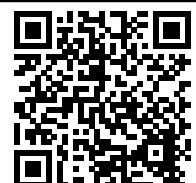

This really is a very unusual occasional table with many special features. The mahogany X frame and turned and reeded stretcher are typical of the Arts and Crafts movement. The quatrefoil top has a superb tooled leather top which is edged with small studs and large brass studs to the border. The condition of this antique table is very good. This rare table is sure to be an eye catcher wherever it is placed. c. 1890 Width: 26" 66 cm Depth: 26" 66 cm Height: 24.75" 63cm
