Description

This Georgian Mahogany Bird Cage Tip Up Table benefits from having a substantial base, as well as a generously sized top. With an attractive shape to the legs, and a nicely turned column, leading up to the bird cage, allowing the top to swivel round. The top can be tipped up when required to save space for added versatility. Constructed from decent quality timber, reflected in the heavy weight of this piece. Presented in good antique condition with various mark and bruises to the top to be expected of a piece of this age. Circa Georgian Dimensions Width 35in/89cm Depth 35in/89cm Height 28½in/72cm
