Description

This Pair Of Inlaid Rosewood Tazzas On Stands are of wonderful quality and design. Standing on highly inlaid stands, which have a profusion of delicate marquetry inlay. Particularly pleasing to see the that they are handed, as you can see the birds are facing opposite directions, a true pair. They are finished all round so they can be viewed and admired from any direction. The Tazzas themselves are delicately turned from solid Rosewood, with the added bonus of a marquetry inlay to the centre. Highly decorative in their own right, and a lovely accessory to add that finishing touch to your décor. Circa 1900 Dimensions Width 5½in/14cm Depth 5½in/14cm Height 9½in/24cm
