Description

A lovely antique cabinet on legs in mahogany. This was made in England, it dates from around the 1920-1930's period. This is of lovely quality and is a very useful item. It is a great size to be used as a side table around the home, with a good amount of storage space behind the two doors. There is a beautiful pierced gallery around the top edge and this has a polished back, so can be used as a free standing item. We have recently had this re-polished, the condition is excellent for its age, with only some minor wear here and there beneath the polish. Width – 24 inches , 60 cm Depth – 16 inches , 41 cm Height – 30 inches , 76 cm
