Description

An attractive 18th century antique oak gate leg table. The antique oak gate leg table has two drop leaves that when up create an oval shaped table top. The table is raised on decorative turned legs with straight stretcher supports. A rather charming example with plenty of country charm. Good colour and patina throughout. Item Ref; M-3746 . DIMENSIONS: Height – 76cm / Width – 43.5cm / Width Extended - 109.5cm / Depth – 85.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and staining to the top along with some splits (pictured). There is evidence of old historic woodworm to the base - this is long gone and has been fully treated as a precaution. The antique oak gate leg table remains structurally solid and sound. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
