Description

This is a very stylish and well made 19th century French open armchair. Great design that really works well in a huge number of interiors and will be set off by any material you choose. The grey linen it is currently in has some age and is marked so I would suggest this gets upholstered. The carved details are so elegantly done that it doesn't make the chair feel fussy and the fact it has details all around makes it a real feature piece for a room. Height 110cm Width 70cm Depth 73cm Depth of seat 53cm Height of seat 47cm (On my website) If you would like this armchair upholstered please click yes in the upholstery drop down menu. This would require 3 metres of material. You can supply your own or please browse our collections under the material section. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
