Description

An unusual Victorian carved solid oak clock, barometer and perpetual calendar combination C.1882. The decorative carved polished golden oak casework with an eight day platform escapement porcelain dial clock inset to the top and mercury action thermometer cased below. Unusual perpetual calendar to the centre showing date, day and month with original printed linen spools set behind glazed view windows. White dial aneroid barometer set behind bevel edge glass with a brass bezel and centre reading marker to the base section of the casework. Dated 1882 and presented in excellent original condition with a deep shine and in full working order. Measures 29" high x 10" wide x 2.5" deep. Tracked and insured postage for this item is £27.00 for mainland UK. Please contact us for delivery abroad.
