Description

A charming antique Georgian oak side table. The Georgian oak side table has an oak plank top and single fitted drawer with brass drop handles. The table has a shaped apron to the side and below the drawer and is raised on straight, rounded legs. Good colour and patina throughout. Item Ref; M-3748 . DIMENSIONS: Height – 70cm / Width – 71cm / Depth – 56cm . CONDITION REPORT: In well-worn antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and staining to the top surface and also to the base (pictured). There are numerous repairs to the top (pictured). The table remains structurally sound but due to some of the repairs to the top it is now quite a delicate piece. Evidence of old historic woodworm - this is long gone and has been fully treated as a precaution. A little worn and delicate but such a charming piece. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
