Description

This pair of chairs should not still exist or should be in a museum. They date back to the early beginnings of the European - American journey, around 1700 to 1720, even before the USA came into being. For the American in your life, a charming pair of oak side chairs that have been given a tasteful modern twist. The chairs have solid splat backs, lovely turned front legs and stretchers. The surface of the wood has developed a rich patina only achievable over centuries & ooze quality & style. The seats are newly reupholstered in stars and stripes vintage looking fabric. A quality pair of chairs that will add charm to any home, just imagine who may have sat on them? £445 the pair. Seat height 46cm

Internal Ref: HF1027
