Description

A beautiful and extremely well made original Art Deco period bedside cabinet in burr walnut. This was made in England, it dates from the 1930's. The quality is amazing and this has a very useful, slim design. There are original Bakelite and chrome handles and a gallery on the back. The burr walnut has stunning grain patterns and there is also rosewood banding on the top and bottom edges. We have recently had this stripped and re-polished to a very high standard, the condition is superb. Width – 33 cm , 13 inches Depth – 33 cm , 13 inches Height – 76 cm , 30 inches
