Description

1920s nickel pocket watch and chain. The watch has a nicely jewelled stem-winding lever movement which is working well. The movement is protected by an inner fitted cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel and it is in good condition, just light surface marks. The watch glass is in good condition. The dial has an old repair at 11 o'clock but otherwise it is in nice condition. The watch has its original blued steel Breguet style hands. The watch comes with a single graduated chain, 34cm long including the T-bar and the clasp. The watch and chain come in a new presentation box.
