Description

A good quality early Victorian mahogany foldover tea table or side table. The table stands on a turned and reeded column, the scrolling legs are decorated with mahogany bosses and terminate with the original brass casters.

The rich colour and patina highlight the lovely grain of the mahogany top. There are a few very minor marks as you would expect of an antique of this age, the overall condition is good. This table is very versatile, making a very attractive side table or when opened, an ideal supper or breakfast table. c. 1840 Width: 36" 92 cm Depth: 18" 46 cm Height: 28" 71 cm When open: 36" x 36" 91 cm x 91 cm
