## Description

A stunning pair of late Victorian / early Edwardian silver plated candelabra dating to c.1900. So versatile, being able to be used as a pair of candlesticks by removing the arms and using two of the drip trays to top the sticks. For a grander occasion, these three light candelabra are impressive and a statement to any tabletop. They are fully marked by the Sheffield silversmith, John Jenkins and Herbert Timm, active at 23 Orchard Lane (1894-1900), Pensilvia Works, 188-196 Solly St, (1901-1914), 34 Eyre St, Sheffield (1915-1930). In 1915 the firm was converted to a "Ltd" company. Just back from our silversmith's workshop where they have been professionally cleaned, re-plated and polished, restoring them to their former glory; excellent condition (the far right drip tray wasn't put in straight before photographing!) The arms span 12 1/2" x 5 3/4" and standing 12 1/4" tall. Item: 34362 FREE Worldwide Registered Airmail Directly From the UK
