Description

19th Century very large pine wall mirror or overmantle. Much wider than most. An impressive rare find, that would look amazing in the right location. No loose joints. The original glass has only light oxidation, age related imperfections and lovely sparkles. The frame has been historically stripped of it's finish to reveal the pine construction beneath. The original putty corner rounding remains (with minor losses). Overall maximum dimensions: 118cmH x 147cmW x 5cmD, glass 110cmH x 135cmW. In good antique condition, with minor historic knocks, marks, wear and imperfections. Please check dimensions before purchasing. Item reference WNA-8124M56. 30-day no-quibble money-back guarantee. Competitive UK and overseas door to door shipping.
