Description

A smart and very functional antique nest of three tables in mahogany, dating from around the 1900-1910 period. These are beautifully made and nestle nicely under one another. The tops are cross banded in satin wood and the bases are stretchered for extra stability. We have had these re-polished, they are in very good condition, with just some minor wear and patina visible beneath the polish, mostly on the top table and seen in the images. Width - 22 inches , 56 cm Depth - 15 inches , 37 cm Height - 26 inches , 66 cm
