Description

A beautiful and elegant antique Regency period occasional table in mahogany. This was made in England & I would date it from around the 1810-1830's period. The quality is fantastic, this is very well built and sits on a well turned gun barrel base with splayed tripod feet. There are brass foot caps and this rolls smoothly on brass casters. The circular top is solid mahogany and shows various signs of historic wear and a lovely patina. We have had this recently re-polished, it is in very good condition for its age. Width – 22 inches , 56 cm Depth – 22 inches , 56 cm Height – 29 inches , 74 cm
