Description

This is an antique arched fire fender. An English, polished steel and brass fireside kerb, dating to the early Victorian period, circa 1850. Graced with enduring elegance - a superb addition to the fireplace Displays a desirable aged patina and in very good order Gently polished steel radiates a striking, bright tonality Ornate brass plume of feather mounts contrast beautifully with golden tones Distinctive braided upper rail adorned with brass acorn finials to each end This is a delightful antique curved fire fender, with a beautifully presented appearance. Set to enhance any fireplace, this is a desirable example of early Victorian fireside chic. Solid joints and construction, delivered polished and ready for the lounge. Dimensions: Max Width: 152cm (59.75") Max Depth: 38cm (15") Max Height: 12cm (4.75") Internal Width: 141cm (55.5") Internal Depth: 36cm (14.25") We offer a 100% satisfaction guarantee with all of our antiques.
