Description

A beautiful and elegant burr walnut console table in the antique Sheraton style. This was made in England & I would date it from around the 1930's. The quality is fantastic, this has a smart and very well built design. The top has curved edges and beautiful burr walnut grain patterns. The edges of the top have an inlaid border of a lighter wood, and there is fine ebony inlay down the edges of the legs. We have recently had this re-polished, it is in lovely condition for its age, with a gorgeous colour and patina. Width – 36 inches , 92 cm Depth – 15 inches , 38 cm Height – 32 inches , 80 cm
