Width = 15 cm (5.9")

Depth = 3.5 cm (1.4")

Description

A History of British Birds in two volumes (1 and 2) by Thomas Bewick (1753-1828). In good condition commensurate with age, these books are full leather bound with gilded decoration and were printed in 1847 by J Blackwell and Company. Every page has an illustration and it would appear that some of the birds recorded are sadly now extinct. We can deliver free of charge in UK mainland and can calculate the cost for international delivery. Payment by bank transfer or PayPal
