Description

This is a lovely, clean and bright Art-Deco, Westminster chime mantel clock. The walnut case is beautifully polished with a warm, rich patina and figuring. It stands on four ogee bracket feet. The silvered dial is in pristine condition. It has black Roman numerals, silvered hands and a brass bezel. The 8 day movement strikes the Westminster tune on the quarters and the number of hours on the hour. It strikes on rods and has a wonderful crisp tone. It has just been fully serviced by our Bhi registered staff and carries our usual 12mths full parts and labour guarantee. A lovely quality clock that has obviously been treasured throughout its life. All cards accepted.
