Description

A rather pleasing 18th century antique oak coffer of small proportions. The antique oak coffer has a two panel hinged lid that opens to reveal a neat interior, with a candle tray to the right hand side. The antique oak coffer has a three panel front with decorative carved detail. Raised on four stile feet. Item Ref; M-3754 . DIMENSIONS: Height - 63cm / Width - 101.5cm / Depth - 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the lid (pictured), also some losses to the base (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak coffer remains structurally solid and functional. Overall, a good example with lovely colour and patina throughout. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
