Description

An attractive set of six similar 19th century antique oak farmhouse chairs. The antique oak farmhouse chairs each have a bar back, with solid oak seats. All six chairs are raised on four square legs with four straight stretcher supports. There are slight differences between each, but they make for an appealing antique set of six. Measurements taken from the largest chair. Origin: West Wales. Item Ref; M-3820 . DIMENSIONS: Height – 90cm / Width – 46cm / Depth – 44.5cm / Seat Height - 46cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and staining to the seats (pictured). Four of the six seats also have shrinkage (pictured). The antique oak farmhouse chairs remain structurally solid and sound, with good tight joints. There is evidence of minor woodworm to three of the chairs, however this is now long gone and has been fully treated as a precaution. Overall, a good set of six antique chairs.
