Description

A simple, yet attractive set of four harlequin 19th century antique oak farmhouse chairs. The antique oak farmhouse chairs each have a stick back, with a solid oak seat. Each chair is raised on tapered front legs and curved rear legs with four straight stretcher supports. Although the chairs are slightly different, they make a good mix and match set of four. Item Ref; M-3821 . DIMENSIONS: Height - 88cm / Width - 46.5cm / Depth - 45cm / Seat Height - 46cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and splits to the seats (pictured), and an honest repair to one of the seats (pictured). There is evidence of historic woodworm to the underneath of two of the chairs, however this is now long gone and has been fully treated as a precaution. The antique oak farmhouse chairs remain structurally solid and sound, with good tight joints. Overall, a good set of harlequin antique chairs.
