Depth = 43 cm (16.9")

Description

A smart and useful antique nest of three tables in walnut. These were made in England, they date from around the 1900-1920's period. They are of lovely quality and are very practical. The tops are nicely shaped and have gorgeous burr walnut grain patterns, with a lovely colour tone. There is acanthus leaf carving at the knees, and they sit on cabriole legs. We have had these recently re-polished, the condition is excellent for their age. Width – 24 inches , 61 cm Depth – 17 inches , 43 cm Height – 22 inches , 56 cm

Internal Ref: 4150
