Description

Gents 1950s Audax wrist watch. The watch has a Swiss 17-jewel hand-winding movement, signed Audax, which is working nicely. The watch measures 35mm diameter excluding the winding crown and the lugs. The main body of the case is rose gold plated while the case back is stainless steel. The case is in good condition, just the odd minor mark and some scratching to the back where it looks like a tool has slipped in the past. The lens is in good condition. The signed dial is in its original finish with original hands, subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
