Description

A super set of 4 mahogany chairs. These chairs are in excellent condition and made from super quality mahogany. There are no repairs old or new. They have been thoroughly checked in our workshop and there are no loose joints. They simply need reupholstering. We are happy to arrange this. I was reluctant to reupholster in advance of sale because so often people wish to choose their own fabric. This way I can keep the cost of the chairs very reasonable. The advantage of drop in seats is that they can be easily reupholstered and also easily repaired if there was a problem in the future. However, these chairs have been around for 200 years without damage so they are obviously a good robust set.
