Description

A fine pair of wine / champagne coasters. Made of Old Sheffield Plate and dating to c1780, each coaster bears the crest of a stylised dragon to the front. A wonderful pierced design with beautiful turned mahogany bases. The condition is very good overall, but with a few stubborn black marks to the interior and a few very small knocks to the bases. Very faint copper bleed to the rims but otherwise the plating is in very good order. One coaster has lost its green baize base cover. Total weight approx 275g Diameter approx 13cm. Height approx 4cm
