A charming George III antique oak lowboy table. The antique oak lowboy table has a decorative shaped front apron, raised on four square legs. An attractive colour and patina throughout. Item Ref; M-3771 . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the surface top, also a small chip missing from the join (pictured). There is minor evidence of historic woodworm to the underneath and legs, however this is now long and has been fully treated as a precaution. The antique oak lowboy table remains structurally solid and sound, with the drawers running well. Overall, a rather good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home!
