Description

An attractive and neatly proportioned West African antique hardwood bench. The antique bench has a slatted backrest, with shaped open arms. The Ghanaian antique bench has fist shaped terminals to the back corner supports, and elephant head shaped terminals to the front supports. The antique bench has a four plank solid seat, with a loose tapestry style cushion. Raised on four square legs. Item Ref; M-3365 . DIMENSIONS: Height – 104cm / Width – 119.5cm / Depth – 55cm / Seat Height - 47.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related scratches to the front (pictured), also some shrinkage to the seat panels (pictured). The West African antique bench remains structurally solid and sound. Overall, a very interesting example of an antique bench. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
