Description

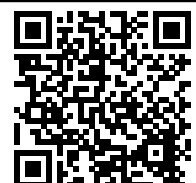

Circa 1910-1920. A heavy and well made tall brass lamp with three ram's heads around the central bowl, and decorative work throughout. It measures approximately 46cm in height, the base is 15cm in diameter, and it was rewired by the previous owner and requires an up to date PAT test before use. It has been professionally polished but not lacquered, and the quality of the casting is reflected in the details of the brass work. The lamp weighs 2.6kgs. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
