A Miniature 19th Century Chest of Drawers

Price

GBP 625

| USD \$852 | EUR 729

Item Reference: SA887945

Date of manufacture: 1860

Dimensions

Height = 35 cm (13.8")

Width = 34 cm (13.4")

Depth = 22.5 cm (8.9")

Description

This beautifully proportioned miniature chest is made of mahogany veneered over pine and is possibly an apprentice piece or a sales model, with two short drawers above three long graduated drawers, all with hand cut dovetails and chamfered baseboards, suggesting this was either an apprentice piece or was made as a sales model. The drawer handles are made of ebonised steel and are in perfect scale, which is unusual for miniature furniture which can often have oversized fittings.

Internal Ref: 091
