Description

A particularly attractive George III antique oak dresser. The antique oak dresser has a boarded rack back top with three fitted shelves and a moulded cornice to the top. The antique oak dresser base has a T shaped arrangement of drawers and dummy drawers with a blind panel cupboard door to either side. The cupboard doors open to reveal a spacious interior that runs the whole width of the dresser behind the two bottom dummy drawers. The drawers and doors all have brass knobs. Raised on stile feet. A good quality example with attractive colour and patina. Separates at the mid section for ease of transport and movement. Item Ref; M-3797 . DIMENSIONS: Height - 201cm / Width - 161.5cm / Depth - 50cm / Surface Height - 87.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and staining to the top surface (pictured), along with some shrinkage to the surface top planks. There is evidence of old historic woodworm - this is long gone and has been fully treated as a precaution. The antique oak dresser remains structurally solid and sound with the drawers running well. Good colour...
