Description

Gents Buren Grand Prix wrist watch, early 1960s. The watch has a 17-jewel hand-winding movement, signed Buren Grand Prix, which is working nicely. The watch measures 34mm diameter excluding the winding crown and the lugs. The main body of the case is chrome plated. There is a little rubbing and marking to the plate, mainly to the back of the watch. The screw-on case back is stainless steel. The lens is in good condition. The signed dial is in its original finish with original hands, a subsidiary seconds hand and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
